PROFESSIONAL COMPETENCIES & EXPERIENCE

Anne Doster is a respected and sought-after organizational effectiveness consultant, facilitator, and executive coach with extensive experience in performance management, training, and leadership development. With over 20 years providing executive coaching, leadership development, training facilitation, career development, and organizational development consulting, Anne is well prepared to assist individuals and organizations in rapidly changing and complex business environments.

Anne joined APLS Group to provide support to small and medium sized companies in the areas of executive coaching, leadership development, change management, and workplace wellness. At APLS Group, she designs and implements interventions to build leadership capacity, facilitate change, manage culture shifts, and align human capital with business outcomes. Anne has in-depth experience working in a broad range of industries including: finance, high technology, pharmaceuticals, education, health care, manufacturing, retail, and software training. She has provided executive coaching and career counseling to more than 200 engineering, marketing, sales, finance, HR, and IT executives.

HER CERTIFICATIONS INCLUDE:

- Certified Integrative Health Coach Professional
