PROFESSIONAL COMPETENCIES & EXPERIENCE

Paula has been an adult educator and business professional for more than 30 years. Her work experience includes a blending of university faculty roles, organizational consulting engagements, and co-founding a publicly traded company. As a practitioner she has lead large and small organizations to solve business problems and achieve goals through aligning learning and development strategies. Her work as a scholar has focused on optimizing the conditions for adult learning both in person and through distance technologies. She has coauthored several works on impact evaluation and experiential learning.

HER CERTIFICATIONS INCLUDE:

- TILT 365° Certified
- VitalSmarts Suite of Products
- Franklin Covey Suite of Products
- APLS Group Everything DiSC Certified
