PROFESSIONAL COMPETENCIES & EXPERIENCE

Paula Hattley is a leadership coach and learning consultant with over 25 years of experience supporting professionals and leaders at all levels across industries including healthcare, manufacturing, retail, and professional services. She designs and facilitates practical, engaging learning experiences that help individuals and teams strengthen communication, build confidence, and perform effectively in real-world environments.

Paula brings a strong coaching foundation to her facilitation work, helping leaders translate insight into action. She partners with organizations to support teams as they navigate change, growth, and increasing responsibility. Whether she is working with new hires or experienced managers, her focus remains on practical tools, clear communication, and helping teams do their best work.
